ElderCare Pakistan: Project Update

We're excited to share a progress update on ElderCare Pakistan, a project dedicated to improving the lives of seniors in our community!

Our Mission:

As highlighted on our website, ElderCare Pakistan was founded with the core belief that seniors deserve to live with respect, dignity, and access to quality care. We are inspired by the work of Elders Club (https://eldersclub.pk/), a senior care company in Pakistan that offers a variety of services to support seniors' well-being.

Our Journey So Far :

In the past six months, we've made significant strides towards achieving our goals. Briefly describe some key milestones you've achieved in the last 6 months. This include things like:

- Partnering with organizations to provide in-home care services.
- Launching a helpline for seniors to access information and support.
- Organizing social and recreational activities for seniors to combat loneliness.
- Conducting workshops on senior health and wellness.
